

OCTOBER READING BINGO

For October's Reading Bingo Challenge, cross off HALF of the squares on the Card (at least 12 squares plus the free square in the middle). They do not need to be in a line or any particular shape.

Please note:

- Each square requires at least 15 min of reading
- Cross off only one square per night
- Parents, please sign this sheet at the bottom agreeing that it was completed
- Hand in to your teacher on the last day of school each month
- You will be entered into a monthly draw from the library store!

Student name: _____
