With the arrival of sunnier days, we kindly ask that students come to school dressed appropriately for the warmer weather. To help keep everyone safe during outdoor play, we recommend avoiding flip-flops or sandals, as they can increase the risk of injury. Additionally, please ensure your child wears or brings proper footwear every day for physical activity (gym class) so students can fully participate. Thank you for your support in helping us keep students safe and active!

• Please remind your child if they are walking home at the end of the day they should start doing this right at the dismissal bell. We ask that students not remain on the school grounds to play unless a parents or guardian is there to supervise them.

- Supervision in the morning starts at 7:45am. We ask that students arrive at the school no earlier than 7:45am unless they arrive to school on the bus.
- Between 11:45 and 12:15 there is limited staff at the office. As such we would request that parents connect with the office before this time if they are needing to drop food off for lunch or sign out their child. During lunch if parents are needing to drop off food for their child please label the items and leave them at the office. We will work to ensure these items are brought to your child.
