Dear Greendale Parents,

As we entering the month of May we are needing parents help in a number of important areas.

- Please remind your child if they are walking home at the end of the day they should start doing this right at the dismissal bell. We ask that students not remain on the school grounds to play unless a parents or guardian is there to supervise them.
- Supervision in the morning starts at 7:45am unless children arrive on an early bus. We ask that students arrive at the school no earlier than 7:45 unless they are on the bus.
- Between 11:45 and 12:15 there is limited staff at the office. As such we would request that parents connect with the office before this time if they are needing to drop food off for lunch or sign out their child. During lunch if parents are needing to drop off food for their child please label the items and leave them at the office. We will work to ensure these items are brought to your child.

If you have any questions, please contact the school office 604-823-6738.

School Flower Beds and Garden Boxes

We kindly ask parents with young children to help us take care of our garden boxes and flower beds. These areas are not intended for play, as our students have put in a lot of effort and care planting seeds and flowers. Thank you so much for supporting their hard work and helping us keep our garden spaces thriving!
