

September Story Event Notes

Write key events from your chapter book. Use clear details that will help you report the story.

Book Title: _____

A First Events

What important events happen near the start?
Include the setting and the main problem if you can.

B Next Events

What changes or challenges happen in the middle?
Tell the most important events in order.

C Final Events

How does the chapter book end? Explain how
the problem is solved or what changes.
